Knox Award Program Honors the Achievement

KNOX January 12, 2022 -- Community Services of Starke County has been selected for the 2022 Best of Knox Award in the Non-Profit Organization category by the Knox Award Program.

Each year, the Knox Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Knox area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Knox Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Knox Award Program and data provided by third parties.
